BALENS YOGA INSURANCE

As a Health Professional you can be held legally liable for loss of damage to other people's property, injury or other harm, financial loss alleged to have been caused to your clients or patients, or other parties. This policy will meet that need and provide defence and payment of damages for the above, as well as covering other risks and offering various services as well.

The policy is on a Claims Occurring basis. Balens have managed to include all the benefits of a Claims Made policy and combined it with a Claims Occurring policy thus removing the disadvantages that both usually have. Please call us for full details.

Run off cover included free of charge for an unlimited period if ceasing the policy!
