Balens have been a major Insurance Broker for privately practicing Occupational Therapists, Case Managers and Other Health Professionals for over 10 years. Whether you are an individual OT or a Corporate delivering OT and other Health Services, we are able to provide an affordable quality solution with a comprehensive range of cover. We regularly attend Private and Public Sector OT Conferences and keep up to date with developments in the OT and Medico-Legal fields. OTs have a wide range of activities and abilities and our cover has been designed to encompass all of them.

We can cover the risks of sub-contracting to other firms as well as Corporate Health Provider Firms, and expertly handle from simple businesses to very complex ones, including businesses that have a variety of functions - OT, Case Management, Training, disability aids use, advising and retailing, supply and installation of wet rooms, stair lifts and other adaptations.

We understand and insure the many and varied activities of OTs and Case Managers, and are delighted that one of our team is a qualified OT, giving us a unique insight into this important field of work.
